REMOTE & DIGITAL FULFILLMENT FRAMEWORK

Srijan: Online Gigs & Pricing Matrix

Market: India Creator Economy
Fulfillment: Virtual / 100% Online

> **Strategic Context:** The online service model requires zero travel and operates purely on digital handoffs. Clients provide raw inputs (briefs, scripts, raw files) and creators deliver finished assets via the platform. Prices reflect standard Indian market rates, packaged tightly to prevent scope creep. *All deliverables include 1 standard revision.*
